LEFT	RIGHT	
20/40	20/70	_____
20/50	20/100	_____
15/200	NSC ( 20/100 }	_____
15/200	NSC ( 20/200 )	_____
LPO	20/70	_____
LPO	NLP	_____
CF 2 <i>i</i>	20/50	_____

NSC -Not service connected

NLP -No light perception

LPO-Light perception only

CF-Counting fingers

### Visual Fields

A Veteran is service connected for glaucoma . Upon VA examination, the examiner notes that the Veteran's remaining field of vision averages 34 degrees OD and 48 degrees OS. The examiner also noted that the Veteran's best corrected distant vision was 20/60 OD and 20/50 OS. What evaluation would you assign?
