

Pension and Fiduciary Service Training Registration Confirmation

Thank you for registering for the Pension and Fiduciary (P&F) Service training,
Fiduciary Elder Abuse and Neglect Training (VA 4202791).

Course Description

This training provides a general overview of Elder Abuse and Neglect training from the Department of Justice. The training will include physical, psychological, financial, sexual abuse and neglect. Each of the types of abuse and neglect will be described and warning signs discussed along with the responsibilities of the fiduciary hub employees.
