MAST Training: Job Aid Reactivate a Facility

Objective

Train facility managers to reactivate a facility object.

Audience

User: Facility Managers

Instructions

Pre-Step: Access the MAST Homepage via https://va.my.salesforce.com/

- 1. Click on the SSD Facilities tab.
- 2. Use the dropdown arrow to select the All Closed SSD Facilities queue.

3. Click on the SSD Facility Name to select the facility that needs to be reopened.
