MAST Training: Job Aid View Request Status

Objective

To provide requestors with steps to review the status of their submitted requests.

Audience

User: Requestor

Instructions

Pre-Step: Access the MAST Homepage via https://va.my.salesforce.com/

- 1. Click on the dropdown arrow next to the right of the SSD Requests tab.
- 2. Select My Submitted Requests.

3. Select the SSD Request record that user would like to review.

Note: All requests submitted by the User will be listed in this view by SSD Request #. *Note:* Records can be filtered by multiple fields including record type, severity, and status.
