

Checklist: Analyzing Comprehensive IL Assessment(s)

Step	Description	YES	NO
1.	Are all comprehensive IL assessments completed?		
2.	Are comprehensive IL assessments received accurate and complete?		
3.	Do recommendations address an IL need or a want? Note: This includes evaluating how each recommendation in the comprehensive IL assessment can potentially increase the individual's independence.		
4.	Are recommendations reasonable?		
5.	Can IL needs be addressed by other VBA or external sources?		
6.	Are IL needs identified?		
7.	Are all IL needs identified in the preliminary IL assessment identified in the comprehensive assessment(s)?		
8.	Are other potential IL needs identified?		
9.	Do additional assessments need to be conducted?		
10.	Is achievement of an IL goal feasible?		
11.	Are the recommendations from the assessment primarily address the Service Connected Disabilities?
