Module 2: Comprehensive Evaluation

Practice Activity: Dina's Entitlement Determination

This activity provides you with an opportunity to complete the steps in the entitlement determination process (Lesson 2).

Recall the steps in the entitlement determination process:

- 1. Determine the vocational impairment.
- 2. Determine the service-connected disability (SCD).
- 3. Identify the extent to which the SCD contributes to vocational impairment.
- 4. Determine if the individual has overcome the vocational impairment.
- 5. Determine if the individual has an EH/SEH.
- 6. Determine the individual's entitlement to VR&E Services.

Exercise:

1. In the space provided, document your findings from Dina's eFolder with regard to her vocational impairment. Hint: Refer to the documents in the eFolder.

2. In the space provided, determine Dina's SCD. Hint: Refer to VA Form 28-1900 and the rating sheet in Dina's eFolder.
