Category: Rehabilitation Service

Date: 08/24/2025

Plan Development Notes:

Matt was provided an Original Plan Orientation Case Management appointment to Chapter 31 benefits and services on this date. During this meeting, it was explained that this appointment establishes the ongoing relationship and partnership between Matt and VA for the duration of rehabilitation services and the chapter 31 program is an active and mutually cooperative effort of the individual and VA to accomplish the rehabilitation goal and program objectives.

VRC met with Matt at the VA certifying official's office for initial case management appointment per the IWRP. Prior to the appointment, we reviewed the goals and objectives of the IWRP. We find that he is following the IWRP.

Encouraged Matt to work closely with the Veterans Coordinator at State to ensure that tuition and fees, as well as his required books and supplies would be billed to VA. VRC discussed with Matt VA policy regarding purchase of books and school supplies through the campus bookstore and provided VRC contact information if he had any later questions or need for clarification regarding any information we covered during this Case Management Appointment. Matt was advised of the amount of his subsistence allowance and of his entitlement to medical services from the local VAMC. His responsibilities under the Chapter 31 program were discussed and the anticipated case management appointment frequency was covered.

Reviewed IWRP with Matt regarding overall employment objective and intermediate goals and he is in agreement with all aspects of the IWRP. Likewise, ETD and remaining entitlement is consistent with length of the training services as outlined in the IWRP.

Matt had some questions about his SCD and possibility of applying for an increase and we discussed this at length with him. Regarding academics, we discussed his program and university requirements. Discussed some of the more difficult courses in his curriculum and the challenge they would present. Matt expressed some realistic concerns about being able to effectively deal with courses such as Tax Accounting and Cost Accounting and Auditing which are gateway courses for this curriculum. We encouraged him to pace himself, work closely with his academic advisor, and carefully select and preregister for courses each semester to ensure his best possible academic results. This will be an ongoing discussion point and area of review. Depending on his progress and success, the CPA certification may be considered later.

Dear Mr. Matthew Dixon:

Congratulations, I am writing to inform you of the following decision that grants your Department of Veterans Affairs (VA) benefits.

What decision did I make and what authority did I use?

When making a decision on your VA benefits that are provided by the Vocational Rehabilitation and Employment (VR&E) program, I must base my decision on specific laws and regulations. These laws are found in title 38 of the United States Code (U.S.C.); and the regulations are found in title 38 of the Code of Federal Regulations (CFR). Based on a review of these laws and regulations, I have decided the following, as outlined on the attached mutually agreed upon rehabilitation plan, VA Form 28-8872, signed on 08/24/2025

1. You meet the criteria for me to determine that it is reasonably feasible for you to pursue a vocational goal. I based this decision on 38 U.S.C. § 3106 and 38 CFR § 21.53.
2. You meet the criteria required to pursue your preferred vocational goal. I based this decision on 38 U.S.C. § 3104; and 38 CFR §§ 21.70 and 21.72.
3. I can approve your selected training facility, to include payment of all required tuition, fees, and books. I based this decision on 38 U.S.C. § 3115 and 38 CFR § 21.294.
4. I can provide subsistence allowance for periods in which you are attending training on at least a half time basis, unless otherwise approved to attend at a reduced rate. I based this decision on 38 U.S.C. § 3108 and 38 CFR § 21.260.
5. I can approve your request for supplies, equipment, and/or incidental goods and services as related to your vocational goal/training program. I based this decision on 38 U.S.C. § 3104; and 38 CFR §§ 21.156, 21.210 and 21.212.

6. I can provide you with employment assistance. I based this decision on 38 U.S.C. §§ 3107 and 3117; and 38 CFR §§ 21.250 and 21.252.
7. I have approved your request for payment of an employment adjustment allowance. I based this decision on 38 U.S.C. § 3108 and 38 CFR § 21.268.

If your rehabilitation plan changes, the information in this letter will be revoked and a new letter will be issued.

Why did I make these decisions?

I made these decisions based on a review of your abilities, aptitudes, and interests; our discussion of your goals; and a review of your individualized circumstances, desires for the future, and request for these services and assistance.

What evidence did I use to make this decision?

You were determined eligible to pursue an Accounting vocational goal; therefore, you will receive services leading towards this plan of employment.

What if you disagree with my decision?

If you disagree with my decision, either you or your accredited representative, such as a Veterans Service Organization representative, independent claims agent, or private attorney, can request a review of the decision at the regional office level or file a request for a formal appeal at the Board of Veterans Appeals (Board). You have one year from the date of this letter to select an option and complete the appropriate request form in order to protect your initial filing date for effective date purposes.

- Request a Higher-Level Review (HLR) at the Regional Office Level

If you disagree with my decision, you can request a HLR to be completed at the regional office where I work, or an alternate regional office (see note below) within one year of the date of this letter. You may also request an informal conference during the HLR process. An informal conference provides you, and your representative if you have one, the opportunity to tell the reviewer why you disagree with my decision and to discuss the decision before the reviewer completes his/her review. To request a HLR, please complete VA Form 20-0996, Decision Review Request: Higher-Level Review, and return it to the address at the top of the letter. If you have new evidence to provide, this option is not available to you. Please see below for your options if you have new evidence to provide. Also, you may not request a HLR of a HLR decision issued by VA.

Note: Due to the specialized processing needs of VR&E, by default your HLR will be completed at the regional office where I work, which contradicts the information listed in box 13 on VA Form 20-0996. If you want your HLR to be completed at an alternate regional office, please indicate that in writing in box 13.

- File a Supplemental Claim (SC) at the Regional Office Level

If you disagree with my decision and you have new evidence to provide, you can request a SC to be completed at the regional office where I work. A SC is completed by either myself or another Vocational Rehabilitation Counselor that works at the same regional office in which I work. To request a SC, please complete VA Form 20-0995, Decision Review Request: Supplemental Claim. There is no time limit to request this review; however, if you submit a SC later than one year after the date of this letter, the effective date for any resulting award of benefits generally will be tied to the date VA receives the request for a SC.

- File a Formal Appeal with the Board of Veterans Appeals

If you disagree with my decision, you may appeal the decision to the Board of Veterans Appeals. If you want to file a formal appeal, please complete VA Form 10182, Decision Review Request: Board Appeal (Notice of Disagreement) and follow the instructions on the form regarding how to submit the appeal. You have one year from the date of this letter to file an appeal.

It is important to note that you may elect either a HLR or a SC at the regional office level or elect an appeal by the Board. You may not have the same issue under review at both the regional office and the Board at the same time. You must elect which option you wish to pursue.

The enclosed VA Form 20-0998, "Your Rights To Seek Further Review of Our Decision", explains your options in greater detail and provides instructions on how to request further review. You may download a copy of any of the required application forms noted above by visiting www.va.gov/vaforms/ or you may contact us by telephone at 1-800-827-1000 and we will mail you any form you need.

You can visit www.va.gov/decision-reviews to learn more about how the disagreement process works.

If you would like to obtain or access evidence used in making this decision, please contact us by telephone, email, or letter letting us know what you would like to obtain. Some evidence may be obtained online by visiting VA.gov.

What if you have questions or concerns?

If you have any questions about this letter or need additional information on VA benefits, please contact me at 502-287-5413, via email at ebony.williams3@va.gov, or call 1-800-827-1000. If you use the Telecommunications Device for the Deaf (TDD), the federal number is 711.

VOCATIONAL REHABILITATION GUIDELINES AND DEBT PREVENTION

NAME Matthew L. Dixon	VA FILE NUMBER TRA-55-4444
FACILITY Central State University	REHABILITATION GOAL Accounting 160
PROGRAM B.S. Degree in Accounting	START DATE 08/24/2025

These guidelines address questions most frequently asked when starting a Vocational Rehabilitation and Employment (VR&E) program. Following these guidelines will assist you in understanding your benefits, how your subsistence allowance is determined and paid, and how to avoid an overpayment. Please do not hesitate to contact your counselor for additional information.

INDIVIDUALIZED WRITTEN REHABILITATION PLAN (IWRP)

Your IWRP is a written agreement between you and the Department of Veterans Affairs (VA) that outlines the services you and your counselor have agreed are necessary for you to reach your vocational goal. It is imperative that you follow your IWRP closely to ensure that you meet your goals. Please note the following:

- Changes to your program require approval from your counselor
- You must maintain continuous, satisfactory progress toward your rehabilitation goals, as outlined in your IWRP. Your counselor will work with you to address and resolve issues that interfere with your progress
- Electives, unauthorized courses, and/or repeating courses require approval from your counselor
- Auditing a class is prohibited

REGISTRATION AND GRADE REPORTS

You must provide a copy of your registration to your counselor at the beginning of each term, and a copy of your grade report at the end of each term. Your counselor will review this information to ensure that you are progressing as scheduled. You are expected to train at full-time status, as it will expedite your program. However, your counselor may authorize less than full-time training, if appropriate. If you are not able to meet the standards agreed to in your IWRP, please contact your counselor before registering for the next term. VA may not pay your tuition and fees, or your subsistence allowance without your counselor's approval for you to continue training.

EVALUATIONS AND APPOINTMENTS WITH YOUR COUNSELOR

Meeting with your counselor is an essential aspect of your program. Your counselor's role is to assist you with any problems that may keep you from reaching your goals, and to ensure that you are receiving all services necessary to ensure your success. You are required to meet with your counselor regularly to evaluate your progress. You and your counselor will schedule meetings based on your individual needs. However, please do not wait until these scheduled meetings to address issues/problems. Your counselor is available to assist you as those issues and needs arise.

MEDICAL SERVICE AND TREATMENT

As a participant of VA's VR&E program, you have potential entitlement to medical, dental, and vision benefits through VA. Please be aware that these benefits must be requested on a "need basis," and a referral from your counselor will be necessary before the VA Medical Center (VAMC) will schedule an appointment if the medical/dental/vision services you are requesting are not associated with your service-connected disability. These benefits are not available to your dependents.

MEDICAL SERVICE AND TREATMENT (Continued)

Whenever possible, VA strives to provide treatment at VAMCs. However, this may not always be possible if there is no VAMC in your area, the requested service is not available at the VAMC, and/or reporting to a VAMC for emergency care would pose a hardship. VA has a fee basis program that provides financial assistance with medical care costs in these situations. However, the fee basis program has limitations and restrictions, and pre-authorization is required.

In the event you are hospitalized on an emergency basis in a private hospital, you must contact Fee Services at the VAMC nearest you within 72 hours of your admission at (877) 222-VETS (8387). A family member, private hospital representative, or your attending physician can make this contact.

PAYMENT OF TUITION, FEES, BOOKS AND SUPPLIES

VA pays all required costs associated with your training, including tuition, fees, books, and supplies. VA will pay for the purchase of required textbooks and a reasonable quantity of expendable supplies (pens, pencils, notebooks, and incidentals) from the school's bookstore. Please note that supplies should not exceed the amount specified by your counselor. VA will also provide tools/equipment listed by the school as "required of all students." Before you buy other supplies or services you feel you need, such as optional, recommended, or reference books, contact your counselor for approval. Payment for an unauthorized item is your responsibility. Failure to provide payment to the bookstore may result in your not being able to purchase supplies and books through the bookstore for subsequent terms. If your school does not have a bookstore, you have to work with your counselor when purchasing your books and supplies.

SUBSISTENCE ALLOWANCE (SA)

SA is a monthly allowance to help you pay for living expenses while you are in training. SA is paid in addition to any VA disability compensation you receive or payments VA makes directly to your training facility for tuition, books, fees, and supplies. The amount of your SA is determined by the following factors:

- Type of training
- Number of course hours you are pursuing
- Number of your dependents
- If eligible, you may elect to receive SA at the rate for education allowance payable under Chapter 30 or at the Post 9/11 using the Basic Allowance for Housing rate

You must immediately contact your counselor if any of these factors change to avoid an overpayment. The law requires that you repay any overpayment to VA.

SA is paid a month in arrears. For example, payment of SA for attending school in August occurs on, or about, September 1. Your counselor must receive certification from your training site indicating that you are registered before your SA payment can be processed. To avoid any delay, register for classes as soon as possible, and provide that information to both the Certifying Official (CO) at your school and to your VA counselor. Also, a no-interest revolving fund loan may be authorized if a financial emergency affects your ability to start, continue, or resume your training.

Remember, your SA is dependent on the number of hours you are enrolled. If you receive a payment during the month following a reduction in your enrollment, make sure that you are entitled to the entire amount before using those funds. If the amount has not changed from the previous payment, it is likely that you are not entitled to the full amount of this payment. You should contact your counselor immediately for guidance in this situation.

DEBT PREVENTION DUE TO WITHDRAWAL OR INTERRUPTION OF TRAINING

If it becomes necessary to withdraw from a course, you need to contact both your counselor and the CO at your school immediately. You will need to explain the reason for the withdrawal to your counselor. If the reason meets the criteria for "mitigating circumstances," which are unanticipated and unavoidable events that interfere with your pursuit of training, then you will not be required to return the SA received prior to the withdrawal. The law provides for a one-time six-credit hour exclusion from the requirement to establish mitigating circumstances during the first instance of withdrawal from a course.

Withdrawal to avoid an unsatisfactory grade is not considered a valid reason. If mitigating circumstances cannot be established to explain your withdrawal, an overpayment may be created from the beginning of the term that you will be responsible to repay to VA. Remember, to avoid an overpayment, keep your counselor informed of all changes to your schedule, dependency status, and eligibility to other VA education programs.

DUPLICATION OF BENEFITS

The law prohibits VA from providing payments of SA under the Vocational Rehabilitation and Employment (VR&E) program concurrently with payments under any other education benefit programs (Chapter 30, 32, 33, 1606, etc.) If you have basic entitlement under more than one VA education program, you must elect which program you wish to pursue to avoid duplication of benefits.

CERTIFICATION OF RECEIPT

I certify that I have read and understand the above guidelines regarding participation in the VR&E program, and that I have been provided a copy for my records. I understand that it is my responsibility to contact my counselor to report any changes of dependents, training time, or any other problems that might affect either my current training or future employment in my vocational objective.

Matt's Vocational Testing Results

Assessment of Interests, Aptitudes & Abilities

Matt agreed to undergo vocational assessment as a means of identifying his pattern of interests, as well as his abilities, aptitudes and academic achievement level. Matt was provided a copy of the Assessment Report and a copy is filed on the right side of the CER folder.

He provided a copy of his college transcripts which reveal that he has completed 26 semester hours with a GPA of 3.1. He also provided his SAT scores which reveal academic ability well above the average range. His quantitative score was well above the average range, while his verbal score was within the average range.

The Interest Inventory administered indicates interest in occupations of accountant, actuary, computer programmer, and auditor as being of highest interest. Some interest was also indicated in the social occupational areas with Matt's interest pattern being somewhat similar with persons employed in the occupations of secondary school teacher, human services worker and human resources manager. Matt agreed with the interest profile, stating that he had always done well in mathematics and enjoyed working with numbers. He sees himself as being people-oriented to some degree, but is not outgoing. He is proficient in the use of computers and has envisioned a career in accounting or information technology.

In general intellectual ability, Matt scored well above the average range. He appears to have the ability to learn quickly and easily and to grasp and understand complex issues rather quickly. This is also validated by his SAT scores and grade reports on his college transcripts.

Vocational Exploration

The vocational exploration was documented on VAF 28-1902n, Counseling Record – Narrative Report (Supplemental Sheet) during this process found in the CER folder on the right hand flap.

In discussing Matt's pattern of interests, he indicated that he had long thought of a career in accounting. He is familiar with the work as one of his older brothers is an accountant for a large firm. While he indicates that he does have interest in computers and feels that working in the IT field would be appropriate for him, this type of work does not appeal to him as much as accounting.

Using the Occupational Outlook Handbook, various occupations were explored and Matt maintained accounting and business oriented occupations as his primary focus. Other career fields in which some interest was noted was in teaching and in human resources, but these did not interest Matt as much as accounting. He has done some research in this field and realizes that the income potential can be promising and the job opportunities are quite favorable, even in the current stagnant economy. He is eventually interested in relocating and living in the western U.S. and is aware that favorable job opportunities for accountant are nationwide. Consequently, the accounting field was agreed upon as a tentative employment goal.

His SAT and college experience was also reviewed and agreed that his average scores and experience would be helpful in pursuing a college degree. He previously agreed to research jobs as an accountant, information management/technology, teacher and human resource manager. He lacks personal interest in IT careers and teaching. He doesn't believe there is enough prospects, advancement and interest in human resources. He continues to be supportive of pursuing a vocational goal as an accountant.

Dear Mr. Matthew Dixon:

Congratulations, I am writing to inform you of the following decision that grants your Department of Veterans Affairs (VA) benefits.

What decision did I make and what authority did I use?

When making a decision on your VA benefits that are provided by the Vocational Rehabilitation and Employment (VR&E) program, I must base my decision on specific laws and regulations. These laws are found in title 38 of the United States Code (U.S.C.); and the regulations are found in title 38 of the Code of Federal Regulations (CFR). Based on a review of these laws and regulations, I have decided that you are entitled to VR&E benefits and services. I based this decision on 38 U.S.C. §§ 3102 and 3103; and 38 CFR §§ 21.40, 21.44, 21.51 and 21.52.

Why did I make this decision

It was determined that you have an Employment Handicap as a direct result of your service connected disabilities; therefore, we are able to find you entitled.

What evidence did I use to make this decision?

Your service connected disabilities are the reason you are unable to find suitable employment.

If you would like copies of this information, please contact me to arrange the most efficient way to get this information to you.

What if you disagree with my decision?

If you disagree with my decision, either you or your accredited representative, such as a Veterans Service Organization representative, independent claims agent, or private attorney, can request a review of the decision at the regional office level or file a request for a formal appeal at the Board of Veterans Appeals (Board). You have one year from the date of this letter to select and file a review option in order to protect your initial filing date for effective date purposes.

- Request a Higher-Level Review (HLR) at the Regional Office Level

If you disagree with my decision, you can request a HLR to be completed at the regional office where I work, or an alternate regional office (see note below) within one year of the date of this letter. You may also request an informal conference during the HLR process. An informal conference provides you, and your representative if you have one, the opportunity to tell the reviewer why you disagree with my decision and to discuss the decision before the reviewer completes his/her review. To request a HLR, please complete VA Form 20-0996, Decision Review Request: Higher-Level Review, and return it to the address at the top of the letter. If you have new evidence to provide, this option is not available to you. Please see below for your options if you have new evidence to provide. Also, you may not request a HLR of a HLR decision issued by VA.

Note: Due to the specialized processing needs of VR&E, by default your HLR will be completed at the regional office where I work, which contradicts the information listed in box 13 on VA Form 20-0996. If you want your HLR to be completed at an alternate regional office, please indicate that in writing in box 13.

- File a Supplemental Claim (SC) at the Regional Office Level

If you disagree with my decision and you have new evidence to provide, you can request a SC to be completed at the regional office where I work. A SC is completed by either myself or another Vocational Rehabilitation Counselor that works at the same regional office in which I work. To request a SC, please complete VA Form 20-0995, Decision Review Request: Supplemental Claim. There is no time limit to request this review; however, if you submit a SC later than one year after the date of this letter, the effective date for any resulting award of benefits generally will be tied to the date VA receives the request for a SC.

- File a Formal Appeal with the Board of Veterans Appeals

If you disagree with my decision, you may appeal the decision to the Board of Veterans Appeals. If you want to file a formal appeal, please complete VA Form 10182, Decision Review Request: Board Appeal (Notice of Disagreement), and follow the instructions on the form regarding how to submit the appeal. You have one year from the date of this letter to file an appeal.

It is important to note that you may elect either a HLR or a SC at the regional office level, or elect an appeal by the Board. You may not have the same issue under review at both the regional office and the Board at the same time. You must elect which option you wish to pursue.

The enclosed VA Form 20-0998, "Your Rights To Seek Further Review of Our Decision", explains your options in greater detail and provides instructions on how to request further review. You may download a copy of any of the required application forms noted above by visiting www.va.gov/vaforms/ or you may contact us by telephone at 1-800-827-1000 and we will mail you any form you need.

You can visit www.va.gov/decision-reviews to learn more about how the disagreement process works.

If you would like to obtain or access evidence used in making this decision, please contact us by telephone, email, or letter letting us know what you would like to obtain. Some evidence may be obtained online by visiting VA.gov.

Is achievement of a vocational goal currently reasonably feasible? (38 CFR 21.53)

Achievement of a vocational goal is currently reasonably feasible.

Explain and justify decision:

A preliminary Vocational goal has been identified for the Veteran in the area of finance and accounting as Mr. Dixon expresses an interest and will not appear to aggravate his stated disabilities. Mr. Dixon's physical and mental conditions appear to permit training for accounting and can begin once the additional vocational exploration is completed. His SCD for back and knee will not appear to be aggravated by this type of profession as the duties and activities are sedentary. Mr. Dixon possesses the necessary educational skills and background to pursue the vocational goal and can be provided additional services to develop the necessary educational skills as part of the program. He has completed approximately one year of college and with the support of vocational assessment and exploration, there is no reason to believe this will not be reasonable for this Veteran. With the evidence reviewed it is apparent that employment is feasible and plan development for a suitable vocational goal will occur.

Achievement of a vocational goal is not currently reasonably feasible.

Explain and justify decision:

Achievement of a vocational goal cannot currently be determined.

Explain and justify decision:

CLAIMANT DOES NOT MEET THE CRITERIA FOR RE-ENTRANCE FOLLOWING A DETERMINATION OF REHABILITATION.
CLAIMANT MEETS THE CRITERIA FOR RE-ENTRANCE FOLLOWING A DETERMINATION THAT REASONS FOR DISCONTINUANCE HAVE BEEN REMOVED.
CLAIMANT DOES NOT MEET THE CRITERIA FOR RE-ENTRANCE FOLLOWING A DETERMINATION THAT REASONS FOR DISCONTINUANCE HAVE BEEN REMOVED.

Training Purposes

NOTE: If the claimant does not meet the criteria to set aside the previous determination of rehabilitation or MRG, the Vocational Rehabilitation and Employment (VR&E) Counselor must determine if claimant is entitled to limited employment services under the provisions of 38 U.S.C. 3117. Refer to Section VI.

SECTION II - AUTOMATIC ENTITLEMENT TO CHAPTER 31 BENEFITS UNDER THE PROVISIONS OF PUBLIC LAW 110-181 (NDAA)

5. CLAIMANT'S ENTITLEMENT IS ESTABLISHED WITHOUT REGARD TO A VA SERVICE-CONNECTED DISABILITY RATING OR DETERMINATION OF AN EMPLOYMENT HANDICAP AND MEETS ALL THE FOLLOWING CRITERIA:

- RECEIPT OF VA FORM 28-1900, DISABLED VETERANS APPLICATION FOR VOCATIONAL REHABILITATION
RECEIPT OF QUALIFYING DOCUMENTATION
ATTENDANCE AT THE INITIAL APPOINTMENT WITH THE IDES VRC

SECTION III - EMPLOYMENT HANDICAP (EH) DETERMINATION

(References: 38 U.S.C. 3102; 38 CFR 21.40 and 21.51)

6. AN EH EXISTS ONLY IF A CLAIMANT HAS A VOCATIONAL IMPAIRMENT, THE CLAIMANT'S SERVICE-CONNECTED DISABILITY (SCD) CONDITIONS CONTRIBUTE IN SUBSTANTIAL PART TO THE VOCATIONAL IMPAIRMENT, AND THE CLAIMANT HAS NOT OVERCOME THE VOCATIONAL IMPAIRMENT.

6A. DOES THE CLAIMANT HAVE A VOCATIONAL IMPAIRMENT?

YES NO

EXPLAIN THE DECISION IF THE CLAIMANT HAS OR DOES NOT HAVE A VOCATIONAL IMPAIRMENT:

Mr. Dixon has service-connected impairments of Right anterior cruciate ligament tear and lower back strain. The veteran has a vocational impairment as a direct result of the symptoms associated with his SC impairments. He experiences inability for prolonged standing, sitting, walking, bending, carrying heavy objects and climbing. The veteran has deficiencies in education to obtain suitable employment that would not aggravate his disabilities. Due to his conditions, the veteran has a vocational impairment that the limitations contribute in a substantial part to his service-connected disabilities.

6B. DOES THE CLAIMANT'S SCD CONDITIONS CONTRIBUTE IN SUBSTANTIAL PART TO THE VOCATIONAL IMPAIRMENT?

YES NO

EXPLAIN HOW THE CLAIMANT'S SCD CONDITIONS CONTRIBUTE OR DO NOT CONTRIBUTE TO THE VOCATIONAL IMPAIRMENT:

The veteran's service-connected impairments contribute to the vocational impairment in a substantial way. As a direct result of these disabilities the veteran has an inability for prolonged standing, sitting, walking, bending, carrying heavy objects and climbing. The veteran has not been able to secure suitable employment through no fault of his own. For this reason, the veteran has a vocational impairment that the limitations contribute in a substantial part to his service-connected disabilities in a measurable and verifiable way.

SECTION III - EMPLOYMENT HANDICAP (EH) DETERMINATION (CONTINUED)

(References: 38 U.S.C. 3102; 38 CFR 21.40 and 21.51)

6C. HAS THE CLAIMANT OVERCOME THE EFFECTS OF THE VOCATIONAL IMPAIRMENT?

YES NO

EXPLAIN HOW THE CLAIMANT HAS OVERCOME OR HAS NOT OVERCOME THE EFFECTS OF THE VOCATIONAL IMPAIRMENT:

The veteran has not overcome the effects of the vocational impairment as a direct result of his service-connected impairments. He does not have the required education and skills to obtain suitable employment. The veteran will require this assistance from the VRE program to obtain and maintain suitable employment. For these reasons the veteran has not overcome his impairment to employment through education and/or self-management.

Matt does not have skills with which to prepare for suitable employment. His military experience in supply operations has proven to be of little use in finding employment in the private sector. Additionally, work in supply and warehouse operations would require him to be on his feet for prolonged time periods and would aggravate his SCDs. He is poorly prepared to compete in the current job market.

Training Purposes

6D. DOES THE CLAIMANT HAVE AN EMPLOYMENT HANDICAP?

- YES, THE CLAIMANT MEETS THE CRITERIA FOR A EMPLOYMENT HANDICAP
 NO, THE CLAIMANT DOES NOT MEET THE CRITERIA FOR A EMPLOYMENT HANDICAP

(References: 38 U.S.C. 3102, 3103 and 3106; 38 CFR 21.44 and 21.52)

7. An SEH EXISTS WHEN A SIGNIFICANT VOCATIONAL IMPAIRMENT IS ESTABLISHED, THE SCD CONDITIONS CONTRIBUTE TO THE OVERALL SIGNIFICANT VOCATIONAL IMPAIRMENT, AND THE CLAIMANT HAS NOT OVERCOME THE SIGNIFICANT VOCATIONAL IMPAIRMENT. THE CLAIMANT'S SCD CONDITIONS MUST CONTRIBUTE TO THE **SIGNIFICANT** VOCATIONAL IMPAIRMENT OR MAJOR DEFICIENCIES THAT IMPACT THE CLAIMANT'S ABILITY TO PREPARE FOR, OBTAIN, AND MAINTAIN SUITABLE EMPLOYMENT.

7A. DOES THE CLAIMANT HAVE A SIGNIFICANT VOCATIONAL IMPAIRMENT?

No Yes

EXPLAIN HOW THE CLAIMANT HAS OR DOES NOT HAVE A SIGNIFICANT VOCATIONAL IMPAIRMENT:

Although the veteran has an employment handicap, his limitations do not contribute to a significant vocational impairment.

7B. DOES CLAIMANT'S SCD CONDITIONS CONTRIBUTE TO THE OVERALL SIGNIFICANT VOCATIONAL IMPAIRMENT?

No Yes

EXPLAIN HOW THE CLAIMANT'S SCD CONDITIONS CONTRIBUTE OR DO NOT CONTRIBUTE TO THE SIGNIFICANT VOCATIONAL IMPAIRMENT:

The veterans conditions contribute to his vocational impairment, but not a significant vocational impairment.

Training Purposes

SECTION IV - SERIOUS EMPLOYMENT HANDICAP (SEH) DETERMINATION (CONTINUED)

VOCATIONAL REHABILITATION AND EMPLOYMENT (VR&E) PROGRAM ORIENTATION

VR&E MISSION

The VR&E program assists veterans with service-connected disabilities prepare for, obtain, and maintain suitable employment, and/or live as independently as possible.

ENTITLEMENT TO THE VR&E PROGRAM

A Vocational Rehabilitation Counselor (VRC) will work with you to determine if an employment handicap exists. An employment handicap exists if your service-connected disability impairs your ability to obtain and maintain employment. You are entitled to VR&E services if you have an employment handicap, are within your 12-year basic period of eligibility, and have at least a 20% service-connected disability rating. The 12-year period of eligibility will begin on:

1. The date of separation from active military duty, OR
2. The date you were first notified of your service-connected disability rating, whichever occurs later.

If the service-connected disability rating is less than 20%, or if you are beyond the 12-year basic period of eligibility, then a serious employment handicap must be found to establish entitlement to VR&E services. A serious employment handicap is based on the extent of services required for you to overcome the barriers presented by your service and nonservice-connected disabilities, permitting the return to suitable employment. If entitled to VR&E services, then you will work with a VRC to determine an appropriate track of service.

5 TRACKS TO EMPLOYMENT

- **Re-employment:** The goal of the re-employment track is to provide assistance to veterans who have served on active duty military, or in the National Guard or Reserves, to return to work where they were employed prior to active duty.
- **Rapid Access to Employment:** The goal of the rapid access to employment track is to provide direct job readiness and placement services to veterans who have expressed a desire to seek immediate employment and who already have most of the necessary skills to be competitive in the job market.
- **Self-employment:** The goal of the self-employment track is to provide services and assistance that will enable qualified veterans to achieve rehabilitation through self-employment. For more information, visit the Veterans Entrepreneurship Portal website, <http://www.va.gov/osdbu/veteran/vep.asp>, and click on Operation Boots to Business found under "Starting a Business" or "Training and Employment."
- **Employment through Long Term Services:** The goal of the employment through long term services track is to provide veterans with extended training and education to become suitably employed.
- **Independent Living:** The goal of the independent living program is to make sure that each veteran is able, to the maximum extent possible, to live independently and participate in family and community life.

Dear Mr. Matthew Dixon

Congratulations, I am writing to inform you of the following decision that grants your Department of Veterans Affairs (VA) benefits.

What decision did I make and what authority did I use?

When making a decision on your VA benefits that are provided by the Vocational Rehabilitation and Employment (VR&E) program, I must base my decision on specific laws and regulations. These laws are found in title 38 of the United States Code (U.S.C.); and the regulations are found in title 38 of the Code of Federal Regulations (CFR). Based on a review of these laws and regulations, ***I have decided that you are eligible to apply for VR&E benefits and services. The next step is for you to meet with a counselor to determine if you are entitled to receive these services. I based this decision on 38 U.S.C. § 3103 and 38 CFR § 21.40.***

Within a week or two you will receive an Initial Orientation Appointment Letter from your Vocational Rehabilitation Counselor, providing the Date, Time, and Location of your Appointment. Included with the Letter will be other documents that you will need to complete and bring with you to the Appointment.

Why did I make this decision?

I made this decision based on the following reason(s):

- You have a Compensable Service-Connected Disability Rating of 10% or Greater.

What evidence did I use to make this decision?

- Rating Information Available in Veterans Benefits Management System (VBMS).

If you would like copies of this information, please contact me to arrange the most efficient way to get this information to you.

What if you disagree with my decision?

If you disagree with my decision, either you or your accredited representative, such as a Veterans Service Organization representative, independent claims agent, or private attorney, can request a review of the decision at the regional office level or file a request for a formal appeal at the Board of Veterans Appeals (Board). You have one year from the date of this letter to select and file a review option in order to protect your initial filing date for effective date purposes.

- Request a Higher-Level Review (HLR) at the Regional Office Level

If you disagree with my decision, you can request a HLR to be completed at the regional office where I work, or an alternate regional office (see note below) within one year of the date of this letter. You may also request an informal conference during the HLR process. An informal conference provides you, and your representative if you have one, the opportunity to tell the reviewer why you disagree with my decision and to discuss the decision before the reviewer completes his/her review. To request a HLR, please complete VA Form 20-0996, Decision Review Request: Higher-Level Review, and return it to the address at the top of the letter. If you have new evidence to provide, this option is not available to you. Please see below for your options if you have new evidence to provide. Also, you may not request a HLR of a HLR decision issued by VA.

Note: Due to the specialized processing needs of VR&E, by default your HLR will be completed at the regional office where I work, which contradicts the information listed in box 13 on VA Form 20-0996. If you want your HLR to be completed at an alternate regional office, please indicate that in writing in box 13.

- File a Supplemental Claim (SC) at the Regional Office Level

If you disagree with my decision and you have new evidence to provide, you can request a SC to be completed at the regional office where I work. A SC is completed by either myself or another Vocational Rehabilitation Counselor that works at the same regional office in which I work. To request a SC, please complete VA Form 20-0995, Decision Review Request: Supplemental Claim. There is no time limit to request this review; however, if you submit a SC later than one year after the date of this letter, the effective date for any resulting award of benefits generally will be tied to the date VA receives the request for a SC.

- File a Formal Appeal with the Board of Veterans Appeals

If you disagree with my decision, you may appeal the decision to the Board of Veterans Appeals. If you want to file a formal appeal, please complete VA Form 10182, Decision Review Request: Board Appeal (Notice of Disagreement), and follow the instructions on the form regarding how to submit the appeal. You have one year from the date of this letter to file an appeal.

It is important to note that you may elect either a HLR or a SC at the regional office level, or elect an appeal by the Board. You may not have the same issue under review at both the regional office and the Board at the same time. You must elect which option you wish to pursue.

The enclosed VA Form 20-0998, "Your Rights To Seek Further Review of Our Decision", explains your options in greater detail and provides instructions on how to request further review. You may download a copy of any of the required application forms noted above by visiting www.va.gov/vaforms/ or you may contact us by telephone at 1-800-827-1000 and we will mail you any form you need.

You can visit www.va.gov/decision-reviews to learn more about how the disagreement process works.

If you would like to obtain or access evidence used in making this decision, please contact us by telephone, email, or letter letting us know what you would like to obtain. Some evidence may be obtained online by visiting VA.gov.

What if you have questions or concerns?

If you have any questions about this letter or need additional information on VA benefits, please call 1-800-827-1000. If you use the Telecommunications Device for the Deaf (TDD), the federal number is 711.

Sincerely yours,

Vocational Rehabilitation and Employment Officer
